## **DETAILED ACTION**

## Non-responsive Amendment

- 1. The reply filed on March 13, 2006 is not fully responsive to the prior Office action because of the following omission(s) or matter(s): The claims listing must include a status identifier in parentheses following each claim number. The seven permissible status identifiers include: 1) Original, 2) Currently amended, 3) Canceled, 4) Withdrawn, 5) Previously presented, 6) New, 7) Not entered. Thus the claims should be identified appropriately.
- 2. The claims listing must also include and markings to show the changes made only in the current amendments relative to the immediate prior version. The text of all claims being currently amended must be presented with marking. All of the added text must be shown by <a href="underlining">underlining</a>. Applicant has failed to follow the appropriate amendment practice procedure with respect to claim 16.
- 3. Thus claim 16 should be identified appropriately. With respect to amended claims, applicant should show support in the original disclosure for the new or amended claims. See MPEP § 714.02 and § 2163.06. Applicant should specifically point out the support for any amendments made to the disclosure.
- 4. Since the above-mentioned reply appears to be *bona fide*, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
